

Academic IELTS Skills Preparation Course

YEAR I & II (ALL STUDENTS)

Ongoing Assessment

Academic IELTS format testing on: **1.** Speaking or writing tasks aligned to weekly topics and skills, **2.** Reading and listening comprehension on weekly topics and skills + additional daily and weekly online grammar for IELTS points, IELTS vocabulary building, and progress tests.

Unit			
1	Introduction to Academic IELTS	Overview of the Four Sections Understanding Listening, Reading, Writing, and Speaking sections Explanation of Band Scores Band score criteria and assessment overview	Test-taking Strategies and Tips Approaches for managing time and stress on the test day
2	Listening Skills Development	Practice Different Question Types (Multiple Choice, Matching) Activities: Practice answering multiple-choice and matching questions from Listening section, with a variety of accents. Key Focus: Understanding main ideas, specific details, and using predictive strategies for test items. Focus on Understanding Accents and Dialects	Note-Taking Techniques Activities: Introduce note-taking strategies (e.g., keywords, symbols) during listening practice. Key Focus: Strengthen the ability to extract and write down key information quickly and accurately during the Listening section. Mock Listening Test

		<p>Activities: Listening to a variety of English accents (British, American, Australian, etc.) via recordings and video clips.</p> <p>Key Focus: Train students to become comfortable with diverse English-speaking accents.</p>	<p>Activities: Complete a full-length listening test under timed conditions.</p> <p>Feedback: Focus on understanding mistakes and improving strategies for approaching different types of questions.</p>
3	Reading Skills Development	<p>Introduction to Different Text Types (Descriptive, Analytical, etc.)</p> <p>Activities: Practice reading texts from various academic topics, identifying their structures (descriptive, analytical, argumentative).</p> <p>Key Focus: Understanding text type structures and the purpose of the writing.</p> <p>Skimming for Main Ideas & Scanning for Details</p> <p>Activities: Timed exercises for skimming the text for general ideas and scanning for specific details.</p> <p>Key Focus: Improve reading speed and focus on essential information.</p>	<p>Work on Question Types (True/False, Matching Headings, etc.)</p> <p>Activities: Practice different question types such as true/false/not given, matching headings to paragraphs, and identifying main ideas.</p> <p>Review: Discuss the strategies used for each question type.</p> <p>Timed Reading Exercises</p> <p>Activities: Complete a series of timed reading exercises to increase speed and accuracy.</p> <p>Feedback: Discuss time management and ways to improve reading efficiency.</p>
4	Writing Skills Development	<p>Task 1: Descriptive Writing (Graphs, Tables, and Charts)</p>	<p>Grammar and Vocabulary for Writing</p>

		<p>Activities: Practice writing Task 1 responses by describing data in charts, tables, and graphs.</p> <p>Key Focus: Focus on summarising key trends and data points, using appropriate vocabulary and sentence structures.</p> <p>Task 2: Introduction to Essay Writing (Opinion Essays)</p> <p>Activities: Introduction to Task 2 opinion essays. Work on how to outline and structure an essay.</p> <p>Key Focus: Develop an understanding of essay structure (introduction, body paragraphs, conclusion) and argument development.</p>	<p>Activities: Focus on essential grammar for writing (sentence structure, tenses) and academic vocabulary building.</p> <p>Key Focus: Strengthen writing mechanics, and expand vocabulary for academic writing. Peer Review and Feedback</p> <p>Activities: Peer review of written work to encourage self-reflection and learning.</p> <p>Feedback: Provide feedback on structure, grammar, and vocabulary.</p>
5	Speaking Skills Development	<p>Part 1: Personal Questions and Simple Topics</p> <p>Activities: Practice answering personal questions in Part 1 of the IELTS Speaking test (e.g., hobbies, family, daily life).</p> <p>Key Focus: Improve fluency and confidence when responding to basic questions.</p> <p>Part 2: Long Turn Speaking (Prepared Topic)</p> <p>Activities: Practice giving a 1-2 minute long turn on a topic. Focus</p>	<p>Pronunciation and Fluency Focus</p> <p>Activities: Practice pronunciation of tricky words and work on sentence stress and intonation.</p> <p>Key Focus: Improve clarity and fluency in speaking.</p> <p>Mock Speaking Test (Part 1 and 2)</p> <p>Activities: Simulate a short speaking test with Part 1 and Part 2, with feedback on fluency, pronunciation, and idea organisation.</p>

		<p>on structuring responses (Introduction, main points, conclusion).</p> <p>Key Focus: Develop the ability to speak for an extended period on a given topic.</p>	
6	Integrated Skills Practice	<p>Full-Length Listening and Reading Test</p> <p>Activities: Complete a Listening and Reading test under timed conditions.</p> <p>Focus: Strengthen time management skills and ensure students can apply strategies learned in both sections.</p> <p>Writing Task 1 and Task 2 Timed Practice</p> <p>Activities: Complete both Task 1 (descriptive) and Task 2 (opinion essay) under exam conditions.</p> <p>Feedback: Review written tasks, focusing on the structure and language used in responses.</p>	<p>Speaking Practice (Mock Test)</p> <p>Activities: Conduct a mock speaking test for Parts 1 and 2 to assess progress and provide immediate feedback.</p> <p>Key Focus: Focus on fluency, intonation, and coherence in responses.</p>
7	Listening Skills Development	<p>Focus on Multiple Choice and Short-Answer Questions</p> <p>Activities: Practice answering multiple choice and short-answer questions from listening recordings.</p>	<p>Mock Listening Test</p> <p>Activities: Complete a full Listening test under timed conditions.</p> <p>Review: Focus on understanding why mistakes were made and</p>

		<p>Key Focus: Improve the ability to find specific information and deal with distractors in the listening test.</p> <p>Listening to Podcasts and Discussions</p> <p>Activities: Practice listening to podcasts or TED Talks on various academic subjects, followed by note-taking and summarising the main ideas.</p> <p>Key Focus: Build listening stamina and improve comprehension in academic contexts.</p>	<p>develop strategies for improvement.</p>
8	Reading Skills Development	<p>Intensive Reading Practice (Past Papers)</p> <p>Activities: Work through past IELTS Reading test papers.</p> <p>Key Focus: Identify common question types and practice strategies for answering efficiently.</p> <p>Critical Reading: Understanding Arguments and Inferences</p> <p>Activities: Focus on reading for deeper meaning, identifying implicit ideas, and understanding the writer's argument.</p>	<p>Timed Reading Exercise (Full Reading Test)</p> <p>Activities: Complete a full IELTS Reading test under timed conditions.</p> <p>Feedback: Review results and identify areas for improvement in reading speed and comprehension.</p>

		Key Focus: Improve the ability to infer meaning and critically analyse texts.	
9	Writing Skills Development	<p>Task 1: Writing for Process Descriptions Activities: Practice writing Task 1 responses based on describing a process or cycle. Key Focus: Improve the ability to explain stages clearly using appropriate academic vocabulary.</p> <p>Task 2: Structuring Argumentative Essays Activities: Focus on developing strong arguments, providing clear examples, and maintaining coherence in essays. Key Focus: Strengthen the ability to develop ideas in a clear and logical structure.</p>	<p>Timed Writing Drills Activities: Write timed responses for both Task 1 and Task 2 to simulate real exam conditions. Feedback: Focus on grammar, vocabulary, and task response.</p>
10	Speaking Skills Development	<p>Part 3: Discussion and Opinion-Based Questions Activities: Practice speaking in Part 3 on abstract issues (e.g., education, technology, society). Key Focus: Develop the ability to discuss complex topics with clear reasoning and examples.</p> <p>Debates and Discussions</p>	<p>Mock Speaking Test (Parts 1, 2, 3) Activities: Full-length speaking test with feedback on fluency, structure, and use of examples.</p>

		<p>Activities: Engage in debates on controversial topics and practice articulating opinions in a structured manner.</p> <p>Key Focus: Build confidence in speaking for extended periods on complex issues.</p>	
11	Integrated Skills Practice	<p>Mock Listening, Reading, and Writing Tests</p> <p>Activities: Complete full-length practice tests for Listening, Reading, and Writing.</p> <p>Focus: Continue to develop time management strategies and ensure students are comfortable with test pressure.</p>	<p>Speaking Practice</p> <p>Activities: Continue with mock speaking tests for full practice of all three parts.</p> <p>Review: Provide feedback on improving fluency and coherence.</p>
12	Reading Skills Development	<p>Vocabulary Building Through Reading</p> <p>Activities: Identify new vocabulary from practice readings, focusing on academic language.</p> <p>Key Focus: Expand the range of academic vocabulary and practice using it in writing and speaking.</p>	<p>Timed Reading and Multiple Texts</p> <p>Activities: Practice reading multiple texts and answering related questions under time constraints.</p> <p>Focus: Develop the ability to synthesise information from different sources.</p>
13	Writing Skills Development	<p>Task 1: Comparing Data</p> <p>Activities: Practice writing Task 1 responses comparing multiple data sets (e.g., bar charts, tables, pie charts).</p>	<p>Comparing and Contrasting</p> <p>Key Focus: Specific vocabulary and grammar for range of comparative scenarios.</p>

		<p>Key Focus: Improve the ability to highlight similarities and differences clearly and accurately.</p>	
14	Listening Skills Development	<p>Focus on Matching and Gap-fill Questions Activities: Practice exercises with focus on matching questions, such as matching speakers to statements, or matching headings to paragraphs. Key Focus: Develop techniques for predicting answers and identifying key details quickly.</p> <p>Listening to Podcasts and Discussions Activities: Listen to various podcasts or discussions on academic topics and summarise key points. Key Focus: Improve understanding of more complex listening material and various accents.</p>	<p>Review of Listening Mistakes Activities: Analyse past listening exercises and discuss common errors. Feedback: Provide strategies for avoiding mistakes related to comprehension and misinterpretation.</p>
15	Writing Skills Development	<p>Task 2 (Essay Writing) – Focus on Argument Development Activities: Learn techniques for developing strong arguments in Task 2 essays. Key Focus: Structure and coherence in the introduction, body paragraphs, and conclusion.</p>	<p>Grammar Focus Activities: Review common grammar mistakes in essay writing (e.g., verb tenses, subject-verb agreement). Exercises: Complete focused grammar drills.</p>

		<p>Timed Writing Practice (Task 2) Activities: Write an argumentative essay under exam-like conditions (40 minutes). Feedback: Instructor provides individual feedback, focusing on logical flow, clarity, and grammar.</p>	
16	Speaking Skills Development	<p>Part 1: Personal Questions Activities: Practice answering personal questions about everyday topics (family, hobbies, work). Key Focus: Improve fluency and naturalness in answers. Part 2: Long Turn Speaking Activities: Practice speaking at length on a given topic for 1-2 minutes. Focus: Ensure the ability to expand on ideas and give clear, detailed answers.</p>	<p>Feedback and Pronunciation Focus Activities: One-on-one feedback sessions on speaking fluency, pronunciation, and clarity. Homework: Practice responses for Part 2 of the Speaking test, focusing on fluency.</p>
17	Integrated Skills Practice	<p>Mock Listening and Reading Test Activities: Simulate both the Listening and Reading sections of the IELTS exam. Key Focus: Work on time management and stamina for long sections.</p>	<p>Review of Practice Test Results Activities: Discuss common mistakes, strategies for improvement, and time-saving techniques. Group Analysis: Peer review of mistakes and successful strategies.</p>

18	Reading Skills Development	<p>Skimming and Scanning Practice Activities: Intensive exercises on skimming for the main idea and scanning for specific information. Key Focus: Improve speed while maintaining accuracy. True/False/Not Given Questions Activities: Practice True/False/Not Given questions, discussing strategies for identifying correct answers. Review: Group feedback on tricky questions.</p>	<p>Timed Reading Practice Activities: Complete a full timed reading test (60 minutes) and discuss time management. Homework: Target specific weak areas in reading for additional practice.</p>
19	Writing Skills Development	<p>Task 1 (Descriptive Writing) – Focus on Graphs and Charts Activities: Practice writing summaries and descriptions of graphs, charts, and tables. Key Focus: Learn to identify key trends and summarise them clearly and concisely. Feedback on Writing Task 1 Activities: Write a full Task 1 response under timed conditions (20 minutes). Instructor Feedback: Focus on clarity, data interpretation, and appropriate vocabulary.</p>	<p>Vocabulary Focus Activities: Vocabulary building exercises specific to Task 1 descriptions (e.g., verbs to describe trends).</p>

20	Speaking Skills Development	<p>Part 3: Opinion-Based Questions Activities: Practice answering opinion-based questions on abstract topics. Key Focus: Develop coherent, well-supported answers with logical reasoning. Engaging in Discussions and Debates Activities: Take part in group debates and discussions on controversial topics. Feedback: Focus on fluency, coherence, and structure in longer responses.</p>	<p>Mock Speaking Test (Parts 1, 2, 3) Activities: Simulate a full Speaking test with individual feedback on fluency, pronunciation, and grammar.</p>
21	Integrated Skills Practice	<p>Full-Length Listening and Writing Test Activities: Complete a full-length Listening test and a Task 1 and Task 2 Writing test under timed conditions. Focus: Ensure both listening and writing are practiced under test conditions.</p>	<p>Analysis and Feedback Activities: Group analysis of results, identifying common mistakes and areas for improvement. Feedback: Individual feedback on performance and targeted study strategies.</p>
22	Listening Skills Development	<p>Focus on Multiple Choice and Matching Questions</p>	<p>Note-Taking and Summarising Activities: Practice listening to recordings and summarising the</p>

		<p>Activities: Practice with listening exercises that feature multiple-choice and matching questions.</p> <p>Key Focus: Strategies for choosing the correct answer when multiple options seem plausible.</p>	<p>main points using shorthand or symbols.</p> <p>Feedback: Discuss the effectiveness of different note-taking methods.</p>
23	Writing Skills Development	<p>Task 2: Opinion Essays</p> <p>Activities: Write an opinion essay (Task 2) on a controversial topic.</p> <p>Key Focus: Focus on clear arguments, strong evidence, and concluding effectively.</p>	<p>Essay Structure and Development</p> <p>Activities: Work on improving the introduction, body paragraphs, and conclusion.</p> <p>Feedback: Instructor feedback on clarity, argument development, and cohesion.</p>
24	Reading Skills Development	<p>Critical Reading and Inferences</p> <p>Activities: Practice reading for inferences, and identify implied meanings in academic texts.</p> <p>Key Focus: Develop strategies for handling complex passages.</p>	<p>Matching Headings and Summary Completion</p> <p>Activities: Practice with exercises focused on matching headings to paragraphs and completing summaries.</p> <p>Group Review: Discuss correct answers and reasoning.</p>
25	Speaking Skills Development	<p>Part 2: Long Turn (Extended Speaking Practice)</p> <p>Activities: Practice speaking for 1-2 minutes on various topics with minimal pauses.</p> <p>Key Focus: Improve the ability to organise thoughts quickly and speak fluently.</p>	<p>Mock Speaking Test</p> <p>Activities: Complete a full mock speaking test (Parts 1, 2, 3) with detailed feedback.</p> <p>Feedback: Focus on developing clear, natural responses and fluency.</p>

26	Integrated Skills Practice	Mock Listening and Reading Test Activities: Practice a full-length Listening and Reading test with emphasis on time management. Review: Discuss strategies for managing time in each section of the test.	Detailed Feedback Activities: Review mistakes and share strategies to improve overall performance.
27	Continuous Assessment and Feedback	Mock Test (Listening, Reading, Writing, Speaking) Activities: Take a full-length mock test (Listening, Reading, Writing, Speaking) under timed conditions. Feedback: In-depth review of each section and personalised study plans for improvement.	Study Plan Adjustments Activities: Create a revised study plan based on feedback and test performance.
28	Listening Skills Development	Focus on Multiple Choice & Matching Questions Activities: Focus on answering multiple choice and matching questions. Students practice with audio clips containing a variety of accents. Key Focus: Improving the ability to listen for specific details, distractors, and the overall message in complex audio clips. Understanding Different Accents and Dialects	Mock Listening Test (Under Timed Conditions) Activities: Complete a full Listening test under timed conditions. Feedback: Review of results with a focus on understanding why incorrect answers were chosen.

		<p>Activities: Listen to audio samples from various English-speaking regions (e.g., British, American, Australian).</p> <p>Key Focus: Strengthening comprehension of different speaking styles and accents.</p>	
29	Writing Skills Development	<p>Task 1: Bar Graphs, Line Graphs, and Tables</p> <p>Activities: Write responses to Task 1 prompts involving bar charts, line graphs, and tables.</p> <p>Key Focus: Improve the clarity of reporting data, use of appropriate vocabulary for trends (e.g., "increase," "decrease," "fluctuate").</p> <p>Writing Practice (Task 2) – Problem/Solution Essays</p> <p>Activities: Practice writing Problem/Solution essays. Emphasis on clear identification of problems and logical solutions.</p> <p>Feedback: Review the coherence and cohesion of students' writing.</p>	<p>Peer Review and Feedback</p> <p>Activities: Students exchange essays and provide feedback on structure, argument strength, and language use.</p> <p>Focus: Encourage self-evaluation and critique of writing.</p>
30	Speaking Skills Development	<p>Part 1: Personal Questions and Simple Topics</p>	<p>Mock Speaking Test (Parts 1, 2, 3)</p> <p>Activities: Full-length speaking test with feedback.</p>

		<p>Activities: Students practice answering personal questions in Part 1 of the Speaking test.</p> <p>Key Focus: Develop fluency and confidence when answering familiar, everyday topics.</p> <p>Part 2: Long Turn Speaking Activities: Students practice speaking for 1-2 minutes on a topic (prepared in 1 minute) without interruption.</p> <p>Key Focus: Expand ideas, use clear examples, and speak fluently for the full 2 minutes.</p>	<p>Focus: Work on fluency, pronunciation, and ability to expand on responses.</p>
31	Integrated Skills Practice	<p>Full-Length Listening and Reading Test</p> <p>Activities: Simulate the Listening and Reading sections of the IELTS exam under timed conditions.</p> <p>Focus: Improve time management and test stamina.</p> <p>Writing Task 1 and Task 2 Timed Practice</p> <p>Activities: Complete Task 1 (descriptive) and Task 2 (essay) writing exercises under exam conditions.</p> <p>Review: Group discussion of mistakes and strategies for improvement.</p>	<p>Speaking Practice (Mock Test)</p> <p>Activities: Mock Speaking Test for Parts 1, 2, and 3.</p> <p>Focus: Evaluate progress in fluency and coherence, and note areas needing attention.</p>

32	Reading Skills Development	<p>Skimming and Scanning for Specific Information Activities: Practice skimming for the main idea and scanning for key details. Key Focus: Increase reading speed while ensuring comprehension. Matching Headings and Summary Completion Activities: Practice matching headings to paragraphs and completing summaries. Review: Focus on strategies for identifying main ideas and details.</p>	<p>Timed Reading Exercises Activities: Complete a full timed reading test (60 minutes). Review: Analyse time management and strategies for improving accuracy under pressure.</p>
33	Writing Skills Development	<p>Task 2: Opinion Essays (Advanced Techniques) Activities: Work on developing complex arguments in Task 2 opinion essays. Key Focus: Refine argument structure, use of supporting evidence, and addressing counterarguments. Timed Writing Practice (Task 1 and Task 2) Activities: Complete timed responses for Task 1 (data description) and Task 2 (argumentative essay).</p>	<p>Vocabulary Building Activities: Vocabulary exercises focusing on academic language, cohesive devices, and linking phrases for Task 2 writing.</p>

		Feedback: Detailed feedback on argumentation, language use, and structure.	
34	Speaking Skills Development	<p>Part 3: Discussion & Opinion-Based Questions Activities: Practice discussing abstract topics, providing well-supported opinions and justifications. Key Focus: Improve the ability to analyse and discuss complex issues. Engaging in Debates and Discussions Activities: Organise group debates on current affairs, societal issues, or academic topics. Feedback: Focus on fluency, coherence, and pronunciation.</p>	<p>Mock Speaking Test (Parts 1, 2, 3) Activities: Simulate a full speaking test under timed conditions. Feedback: Focus on areas for improvement in fluency, structure, and pronunciation.</p>
35	Integrated Skills Practice	<p>Full-Length Listening, Reading, and Writing Test Activities: Complete a full-length Listening, Reading, and Writing test under timed conditions. Focus: Practice all sections together to simulate real test conditions.</p>	<p>Speaking Test Practice Activities: Continue with full mock speaking tests (Parts 1, 2, and 3) for fluency practice. Review: Discuss speaking strategies, focusing on how to expand on ideas and maintain a clear structure.</p>
36	Listening Skills Development	Focus on Gap-fill and Short-Answer Questions	Identifying Signposts and Cues in Listening

		<p>Activities: Practice listening to detailed recordings and filling in gaps in short-answer questions. Key Focus: Improve the ability to extract key details quickly and accurately.</p>	<p>Activities: Identify keywords, signposts, and logical connectors during listening practice to understand structure and flow. Review: Discuss how to use signposts to predict and understand answers.</p>
37	Writing Skills Development	<p>Task 1: Pie Charts, Diagrams, and Process Descriptions Activities: Practice writing summaries for pie charts, diagrams, and process descriptions. Focus: Develop skills for identifying key stages in a process or key segments in a chart.</p>	<p>Task 2: Argument Development and Coherence Activities: Focus on refining logical argumentation and cohesion in Task 2 essays. Feedback: Detailed feedback on essay structure and argument quality.</p>
38	Speaking Skills Development	<p>Part 1: Personal Questions and Simple Topics Activities: Focus on fluency in answering familiar, personal questions in Part 1. Review: Discuss how to sound natural and relaxed when answering basic questions.</p>	<p>Part 2: Long Turn Speaking (Extended Practice) Activities: Practice extended speaking on a variety of topics with preparation time (1 minute) and speaking for 2 minutes. Focus: Encourage extended responses with structured points and examples.</p>
39	Integrated Skills Practice	<p>Mock Listening, Reading, Writing, and Speaking Tests Activities: Complete full practice tests for all sections of the IELTS exam under timed conditions.</p>	<p>Focus on Time Management Activities: Review time management techniques for each section of the test.</p>

		Feedback: Detailed feedback on individual performance, with suggestions for further improvement.	
40	Reading Skills Development	Reading for Detail and Inference Activities: Focus on identifying inferred meanings and details in academic texts. Key Focus: Developing the ability to answer tricky questions about the implied meaning of a text.	Reading Multiple Texts and Comparison Tasks Activities: Practice comparing different viewpoints or arguments across multiple texts. Key Focus: Strengthening skills in synthesising information from different sources.
Final Preparation	Intensive Revision and Timed Practice	Full-length Practice Tests for Listening, Reading, Writing, and Speaking (individual and integrated tests). Timed practice for each section under exam conditions.	Full-length Practice Tests for Listening, Reading, Writing, and Speaking (individual and integrated tests). Timed practice for each section under exam conditions.
Final Preparation	Intensive Revision and Timed Practice	Task 1 and Task 2 Writing Practice with a focus on feedback. Intensive Speaking Practice (mock tests with real-time feedback). Review and feedback on	Vocabulary, Grammar, and Writing coherence. Timed practice for each section under exam conditions. Continued improvement of Fluency and Coherence in speaking. Targeted practice on specific weak areas identified from mock tests.

Final Preparation	Final Listening Review	<p>Objective: To consolidate listening skills, ensuring readiness for the Listening section under timed conditions.</p> <p>Listening Mock Test (Under Exam Conditions)</p> <p>Activities: A full-length Listening mock test, simulating exam conditions, to assess the learner’s readiness.</p> <p>Key Focus: Attention to different question types (multiple choice, map, gap-fill, matching) and understanding of various accents (British, American, Australian).</p> <p>Duration: 40 minutes for the test; 10 minutes for feedback.</p> <p>Review and Correction of Mistakes</p> <p>Activities: Go through the mock test and analyse mistakes.</p> <p>Key Focus: Identifying weaknesses in note-taking techniques, accents, and comprehension.</p> <p>Correction Tips: Improving strategies for common listening mistakes (misheard words, time management during tests).</p>	<p>Strategies for Final Improvement</p> <p>Activities: Focused listening practice on areas of weakness (e.g. note-taking, understanding specific accents, and question types).</p> <p>Listening Exercises: Watch and listen to English podcasts, lectures, and discussions. Practice summarising key points.</p> <p>Homework: Complete targeted listening exercises based on previous mistakes.</p>
-------------------	-------------------------------	--	---

Final Preparation	<p>Final Reading Review</p>	<p>Objective: To refine reading skills and ensure strong comprehension under test conditions.</p> <p>Timed Reading Practice (Final)</p> <p>Activities: Full-length Reading test with strict time limits (60 minutes).</p> <p>Key Focus: Applying strategies such as skimming, scanning, and managing time efficiently.</p> <p>Reading Types: Focus on complex question types such as Matching Headings, True/False/Not Given, and Multiple Choice.</p> <p>Review of Complex Question Types</p> <p>Activities: Review difficult question types, with a focus on inference-based questions and identifying specific information quickly.</p> <p>Analysis: Discuss strategies for tackling challenging sections, with a special focus on time management during the exam.</p> <p>Feedback: Provide personalised feedback on how to improve speed and accuracy.</p>	<p>Strategies for Exam Day Success</p> <p>Activities: Discuss effective test strategies for handling the Reading section (e.g., order of completing questions, pacing).</p> <p>Homework: Additional timed reading exercises targeting slower sections.</p>
Final Preparation	<p>Final Writing Review</p>	<p>Objective: To perfect writing skills for both Task 1 (descriptive) and</p>	<p>Individual Feedback on Grammar and Structure</p>

		<p>Task 2 (essay) under time constraints.</p> <p>Timed Task 1 and Task 2 Writing Activities: Complete one Task 1 (descriptive task) and one Task 2 (essay) under exam-like conditions.</p> <p>Key Focus: Write clear, well-structured responses for both tasks, with emphasis on time management (20 minutes for Task 1, 40 minutes for Task 2).</p> <p>Feedback: Receive detailed feedback on writing style, grammar, coherence, and cohesion.</p> <p>Review of Common Mistakes and Pitfalls</p> <p>Activities: Analyse common writing mistakes (e.g., grammar errors, poor cohesion in Task 2, ineffective data description in Task 1).</p> <p>Key Focus: Strategies for avoiding redundancy, ensuring clarity, and improving grammar and vocabulary use.</p>	<p>Activities: Focused feedback on individual writing weaknesses (grammar, sentence structure, task achievement).</p> <p>Tips: Emphasise how to revise efficiently under time pressure.</p> <p>Homework: Revise written tasks based on feedback, with an emphasis on clarity and structure.</p>
Final Preparation	Final Speaking Review	Objective: To hone speaking skills and ensure fluency, accuracy, and	Fluency Drills Activities: Engage in fluency-building activities, such as debates

		<p>confidence in all speaking test parts.</p> <p>Mock Speaking Test (Under Exam Conditions) Activities: Conduct a full Speaking test (Parts 1, 2, and 3) under exam conditions. Key Focus: Simulate the test day experience, including managing anxiety and speaking clearly under time constraints. Feedback: Immediate, constructive feedback on speaking performance—focus on fluency, coherence, pronunciation, and grammatical accuracy.</p> <p>Polishing Pronunciation and Intonation Activities: Individual pronunciation practice, focusing on difficult sounds, stress, and intonation. Key Focus: Ensuring clear and accurate pronunciation in both casual and formal speech.</p>	<p>or spontaneous speaking tasks, to improve the ability to speak at length.</p> <p>Feedback: Targeted advice on improving responses in Part 3 of the Speaking test (discussion-based questions). Mock Interview with Instructor Activities: Conduct one final mock speaking interview with the instructor, focusing on strengths and weaknesses. Homework: Practice specific speaking tasks based on feedback from the mock test.</p>
Final Preparation	Final Integrated Skills Practice	Objective: To simulate the real exam experience with integrated practice across all four sections.	Review and Discussion of Results Activities: Go over each section in detail, offering additional strategies to improve test performance.

		<p>Full-Length Practice Test (Listening, Reading, Writing, Speaking) Activities: Complete a full, timed practice test, including Listening, Reading, Writing, and Speaking under strict exam conditions. Key Focus: Applying test-taking strategies to ensure effective time management, accuracy, and performance across all sections. Group Review of Test Results Activities: Group discussion to analyse the full test results and identify any common errors. Personalised Feedback: Focus on specific problem areas for each learner (e.g., pacing issues in Reading, coherence in Writing).</p>	<p>Homework: Complete any unfinished test sections for further analysis.</p>
Final Preparation	Final Review	<p>Comprehensive Mock Test (Listening, Reading)</p>	<p>Comprehensive Mock Test (Writing, Speaking)</p>
Final Preparation	Personalised One-on-One Feedback	<p>Objective: To provide tailored guidance and strategies for final exam preparation. Individual Feedback Sessions with Instructor Activities: Each student receives a personalised one-on-one feedback session focusing on their progress</p>	<p>Final Preparation Strategy Activities: Review the most important strategies for handling the test, focusing on the morning of the exam. Homework: Prepare for the test with final practice on weak areas identified during feedback.</p>

		<p>and specific areas of improvement.</p> <p>Key Focus: Refining specific skills—writing style, speaking fluency, listening accuracy, or reading speed.</p> <p>Final Revision Tips</p> <p>Activities: Provide last-minute tips for effective revision—what to focus on in the final days before the exam.</p> <p>Key Focus: Mental preparation, stress management, and staying calm on the test day.</p>	
Final Preparation	Final Full Mock Test (Full-length, Under Exam Conditions)	<p>Objective: To simulate the real exam experience as closely as possible.</p> <p>Final Full-Length Mock Test (Listening, Reading, Writing, Speaking)</p> <p>Activities: Students complete a full, timed IELTS exam (all four sections), under actual test conditions.</p> <p>Key Focus: Mimic the real exam experience, from timing to stress management and task execution.</p>	<p>One-on-One Post-Test Feedback</p> <p>Activities: Immediate feedback session with the instructor after the mock test.</p> <p>Discussion Focus: Identifying any remaining weaknesses and discussing strategies for improvement.</p> <p>Homework: Revise based on feedback, focusing on the final weak points.</p>
Final Preparation	Final Mock Test and Course Conclusion	<p>Objective: To consolidate all learning and ensure students are</p>	<p>Course Wrap-up</p> <p>Activities: Final review of all key strategies, tips for managing exam</p>

		<p>fully prepared for the official IELTS test.</p> <p>Final Mock Test (Under Exam Conditions) Activities: Another full-length IELTS mock test, conducted under official exam conditions. Key Focus: Performance on the final test simulation, ensuring all test-taking strategies are employed effectively.</p> <p>One-on-One Final Feedback Session Activities: A comprehensive feedback session, providing final adjustments and recommendations before the official exam. Key Focus: Addressing any last-minute questions or concerns about the test day.</p>	<p>day stress, and motivational encouragement for the test.</p> <p>Final Encouragement: Boosting learner confidence and ensuring they feel fully prepared for the actual IELTS exam.</p>
